SUBJECT: Proposed Elimination and/or Reduction in Grade of
SF Positions

25X1A9a

1. Mr. [REDACTED] called the undersigned this date to get
our concurrence and/or reaction to the following proposals:

25X1A6a

[REDACTED] - When surveyed by PMCD, they assumed it
would remain Class A and they determined
the GS-12 SF position should be downgraded
to GS-09 as long as S Careerist remained
C/Support. EUR is now proposing conversion
to Class B and elimination of the SF job.

[REDACTED] - PMCD has determined that the GS-12 SF position
should be reduced to GS-9 -- EUR agrees. This
is based on survey made last year. (NOTE:
[REDACTED] job is being cut from GS-14 to GS-13).
PMCD says Station has greatly contracted in
activity over the past several years and jobs
don't compare gradewise to jobs in EA & NE areas.
Mr. [REDACTED] did agree that the bulk of work
in [REDACTED] is finance and that it possibly should
be filled with Finance type but that this is up
to us and S Career Service.
